## Semiannual Regulatory Agenda

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Semiannual regulatory agenda.

**SUMMARY:** The Federal Emergency Management Agency publishes its semiannual regulatory agenda in April and October to inform interested parties of progress on FEMA regulations. The agenda lists regulations that will be under development or review during the period April 1, 1998, to September 30, 1998.

**ADDRESSES:** For information about specific regulations, please contact the person listed as the agency contact in the agenda.

**FOR FURTHER INFORMATION CONTACT:** For general information on FEMA's regulatory agenda, contact H. Crane Miller, Office of the General Counsel, Federal Emergency Management

Agency, 500 C Street SW., Washington, DC 20472, (202) 646-3340, FAX (202) 646-4536, or e-mail Crane.Miller@fema.gov.

**SUPPLEMENTARY INFORMATION:** Executive Order 12866 "Regulatory Planning and Review" directs each executive agency to publish only such regulations as are required by law, are necessary to interpret the law, or are made necessary by compelling public need. Publication of an agenda of regulations is called for semiannually in order to give the public adequate notice of agency rulemaking activities; also, a regulatory agenda concerning rules likely to be significant regulatory actions must be published.

In fulfillment of the requirements of Executive Order 12866, this agenda describes current and projected regulatory actions and rules that will be under review or development during the period April 1, 1998, to September 30, 1998. This agenda also contains information about regulations on which action was completed since the last FEMA semiannual agenda was published Wednesday, October 29, 1997, at 62 FR 58204 to 58209.

We invite public comment on the agenda, including comments by State and local governments. Comments should be submitted to the Rules Docket Clerk, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472; FAX (202) 646-4536. Please refer to the title of the rule about which you are inquiring or commenting and the rule's Regulation Identifier Number (RIN) found at the end of each agenda entry.

The agenda is not limited to significant regulatory actions and contains information concerning FEMA regulations to be developed, reviewed, or published in the next 12 months except for routine flood elevation determinations, listings of eligible communities under the National Flood Insurance Program, listings of suspended communities and similar designations under the National Flood Insurance Program, and FEMA organizational and management matters.

**Dated:** March 9, 1998.

**Ernest B. Abbott,**  
General Counsel.
